

Bali Reef Cruise and Lembongan Island Day Trip

Bali Reef Cruise and Lembongan Island Day Trip

See the beautiful Island of Lembongan in a day trip.

Nusa Lembongan is a small island off the southeast coast of the main island of Bali. Quickly becoming one of Bali's most popular attractions, this island paradise is a world away from the hassle and hectic pace of South Bali. Neither hawkers nor traffic mar the magnificent scenery; this is a fine place to just put your feet up and relax. Main activities include surfing, diving and snorkelling. The water is some of the clearest you will find anywhere, and a vivid aqua blue in colour.
