Here you have about 2 hours time for snorkeling, swimming and relaxing. You will be impressed about the colorful underwater life !

Your guide will take you to the best snorkeling places !

On the return we drive along the coast of Lovina Beach and Singaraja, then drive up to Bedugul with its Lake Bratan.

About Menjangan Island:

Menjangan Island is located off the north west coast of Bali and has been featured as Bali's most recognised dive site since the late 1970s. Menjangan dive sites boast spectacular reefs and walls, groupers, large groups of jacks and turtles and some beautiful scenery.

Diving and snorkeling in Menjangan is also very rewarding for beginners. Especially due to the fact that the current is very light and the visibility is usually very good and can even be outstanding (50m +). The reef is very colourful and you can
