Charter rates include full board with all meals and soft drinks during your cruise as well the services of the crew and tour guide. Please note that charter rates may vary depending on your routing and special requirements. Please request our yacht charter program.

Diving in Bali:

Diving in Bali is the ultimate experience for exploring this pristine corner of the world. Diving in Bali is definitely an amazing and unique experience !! we believe that of of them is Bali`s underwater world, there are many unspoiled reefs to discover as well as gorgeous drop offs, exciting drift area and even on old ship wreck (USAT Liberty) as a relict of the world war II (in 1942 by a Japanese submarine), the wreck lies in 30 meters of water and is fully grown with all kind of anemone, gorgonia, sponges, corals, plenty of marine life. Griyasari Tours and Travel have arranged already many trips for those who would like to see the Balinese underwater treasures. Come and experience our Diving Offers in Bali !
