Neo Hotel Kuta Jelantik

Hotel Neo – Kuta, Jelantik has been designed from a guests' perspective and is ideal for guests on a budget while still offering features and amenities usually associated with more expensive hotels such as LCD TV's, DVD players, mini bars, tea/coffee makers, hairdryers, vanity mirrors, complimentary High Speed Wi-Fi and IDD telephones. Designed in a modern contemporary style befitting the new trends in hotel design it offers uncluttered open space that creates an atmosphere of relaxation and revitalization in a trendy but reasonably priced environment. What separates Hotel Neo Legian from the competition is that extra dimension of design with facilities and services that guests really want and appreciate.
